The Government of Sint Maarten is looking for professionals who wish to actively contribute to the development of the country. In particular, the Ministry of Justice is looking for a:

**SYSTEM ADMINISTRATOR  
CUSTOMS DEPARTMENT**

To carry out its objectives, Customs St. Maarten has the following core tasks:

- Supervision and control of the import, export and transit of all goods across the borders of St. Maarten;
- Monitoring and detecting the import, export and transit of prohibited goods, as well as co-supervision of compliance with relevant legislation in the areas of economy, health, environment, safety and finance;
- Assessment and collection of all import duties and other taxes upon import;
- Providing statistical information, issuing permits, exemptions and refunds;
- Supervision of protected animal and plant species, detection and further investigation, assistance and legal assistance to the other executive organizations of the Ministry of Justice as well as the other Ministries of the Government of Sint Maarten;
- Providing information to ministerial bodies for the benefit of national policy and international cooperation.

The field of operation is local, interregional and international and consists mainly of individual citizens who import, export and transit goods, freight forwarders, courier companies, importers, companies in the free zone, warehouse operators, agencies, airlines and the postal company.

Customs St. Maarten consists of a Department Head who, together with a Section Head Support, Section Head Harbor and Section Head Airport, Information Centre & Investigation, form the management team.

**Job Requirements/Knowledge and Skills:**

- You have completed a higher professional education programme (HBO/HEAO/M.E.R.) or equivalent;
- You have general theoretical, practically oriented knowledge of the field;
- You have knowledge of network and system administration, the possibilities of the internal operating system, and the usage possibilities of the systems and related terminals, PCs and peripheral equipment;
- You have insight into developments in the area of new applications, networks and systems and their management;
- You have insight into user requirements and technical and financial preconditions;
- You have the ability to identify and recognize the nature of system failures and to resolve system failures;
- You have the ability to advise on user needs;
- You have the ability to prepare user manuals and instructional materials and to transfer knowledge in the field.

**The offer**

The Ministry of Justice offers you the position of System Administrator within a dynamic environment where execution, supervision and enforcement come together directly. The salary is, depending on knowledge and experience, a minimum of Cg. 3,370.00 and a maximum of Cg. 7,085.00 gross per month for a full 40-hour work week.

If you reside outside Sint Maarten, the costs related to relocation will be reimbursed in accordance with the applicable policy.

**Application Procedure**

If you are interested in this position, you may send your CV, motivation letter and copies of your diploma(s), addressed to the Customs Department, before **10 July 2026** to the following email addresses: [Customs@sintmaartengov.org](mailto:Customs@sintmaartengov.org) or [jeanine.henry@sintmaartengov.org](mailto:jeanine.henry@sintmaartengov.org), stating the position in the subject line.
